

## THE FACULTY/STAFF CAMPAIGN

The Faculty/Staff Campaign is an opportunity for you to support any scholarship, department or program of your choice at Texas A&M-Corpus Christi. As members of the University community, we see first-hand the increasing difficulty to obtain financial assistance for higher education. It is the primary focus and mission of the Faculty/Staff Campaign to increase the financial support to Texas A&M-Corpus Christi scholarships, departments, and programs.

Participation is the key to our campaign success. A strong foundation of giving from within the University will send an important message to prospective donors and foundations outside the University-that we all acknowledge and accept the need to support the Island University.

We hope that you will give serious consideration to support a department or program that is important to you with a gift that makes you proud.
